

RELEASE NOTES – SPRING 2024

eRouting

- (ER-4113) Added red label message for Export Control for user to review. “Please allow at least 30 days (or longer, depending on the nature of the review) for all export and trade compliance reviews.” message will appear on every page: Export Data, PD/PI Certification, Disposition, Attachments, Questions, History, Related Items under EC review, and Take Action page. The change is for “New Sponsored Export Review” and New Non-Sponsored Export Review”

The first screenshot shows the 'Create Sponsored Export Review' page. At the top, there is a navigation bar with 'eRouting', 'Reports', 'My Actions 162', 'My Requests', and 'Help'. Below the navigation bar, the page title is 'Create Sponsored Export Review'. A red warning message is displayed: 'Please allow at least 30 days (or longer, depending on the nature of the review) for all export and trade compliance reviews.' Below the message is a section titled 'Export Review Type' with a form containing two radio buttons: 'An existing Award/Fund #' and 'An existing Proposal'. A note below the radio buttons says 'Select 'Award/Fund #' if the existing Proposal has been awarded.'

The second screenshot shows the 'Office of General Counsel Export Review: Export Data' page. The navigation bar is similar to the first screenshot. The page title is 'Office of General Counsel Export Review: Export Data'. A red warning message is displayed: 'Please allow at least 30 days (or longer, depending on the nature of the review) for all export and trade compliance reviews.'

- (ER-4030) New attachments shall appear on top
